with the file the Board issued a resumption order on June 2, 2003. On July 10, 2003, the Board vacated the order of June 2, 2003 and issued a new Order responsive to Registrant's Motion of April 30, 2003. In the new Order, the Board indicated the parties should request additional suspension if necessary after appointment of new counsel. Shortly thereafter, Registrant filed an appointment of new attorney.

The parties are now actively involved in settlement negotiations to resolve this matter. The parties and their counsel met in Albuquerque, New Mexico on December 2, 2003, for a day long negotiation. The parties and counsel are resuming negotiations at a scheduled follow up session on December 18, 2003. In the interim, the parties have been assigned different tasks for follow up.

The parties believe that a settlement is possible and that the additional suspension sought herein will enable them to complete the detailed process of negotiation and execution of appropriate agreements to resolve the matter. This motion is not made for purposes of delaying this action.

Respectfully submitted,
